General Information

Important — Read All Directions

Before completing your application, please review each of the following sections. If you find something that might affect your SURS benefit that you have not discussed with a SURS representative, you should contact SURS right away.

If you will be receiving Social Security benefits, note that certain restrictions may apply to your Social Security income if you receive both Social Security benefits and a benefit from SURS. You should contact the Social Security Administration for information on these provisions.

Service Credit

You must have eight years of service credit to retire at age 55 or five years to retire at age 62. You may retire at any age with 30 or more years of service credit. If you have had previous employment/service, you may be eligible to purchase additional credit to increase your benefit. **You must be an "active" member to purchase.** More information regarding service credit can be found in the Member Guide at www.surs.org under SMP.

Sick Leave

You will receive additional service credit for unused and unpaid sick leave earned in accordance with an employer's generally applicable sick leave policy if your retirement annuity begins within 60 days after you terminate your employment covered by SURS or one of the other systems subject to the Illinois Retirement Systems Reciprocal Act.

Your employer may pay you for a portion of your unused sick leave when you terminate employment. If so, you will receive additional service credit only for any unpaid portion.

Choosing a Distribution Option

Important Information

Contact TIAA or Principal to obtain a Retirement Income Illustration prior to making your annuity choice.

You must choose a Joint & Survivor Annuity for your spouse/civil union partner or eligible survivor to remain eligible for insurance at your death.

Normal Forms of Distribution

- If you are single, the normal form of distribution is a Single Life Annuity that provides monthly payments for life. **This form of payment does not provide any survivor benefits.**
- If you are married, the normal form of distribution is a 50% Joint & Survivor Annuity. This provides monthly payments for life. After you die, your surviving spouse/civil union partner may be eligible to receive continued monthly payments for life.

Optional Forms of Distribution

You may choose one of the following optional forms of payment:

- *Single Life Annuity*—You receive monthly payments for life. This is an optional form for married participants. **Payment will end at your death.**
- *Single Life Annuity with a Guaranteed Period*—You receive monthly payments for life. If you die before the end of your chosen guaranteed period of 10, 15, or 20 years, monthly payments will continue to your designated beneficiary until the end of the guaranteed period.
- *50% or 100% Joint & Survivor Annuity*—You receive monthly payments for life, with continued monthly payments to your designated beneficiary for life in an amount equal to either 50% or 100% of your monthly benefit. **Payment will end at the death of you and your beneficiary.**

- *50% or 100% Joint & Survivor Annuity with a Guaranteed Period*

As with the Normal Joint & Survivor Annuity, you receive monthly payments for life. After you die, monthly payments will continue to your designated beneficiary for life in an amount equal to either 50% or 100% of your monthly benefit. If both you and your primary beneficiary die before the end of your chosen guaranteed period of 10, 15, or 20 years, monthly payments will continue to your contingent beneficiary in an amount equal to 50% or 100% of your monthly benefit until the end of the guaranteed period.

- *Lump-Sum or Direct Rollover of a Lump Sum*

You can receive your account balance in a lump sum. However, if any portion of your account is invested in a deferred annuity contract that does not permit lump-sum distributions, or imposes a penalty for them, you may elect to receive the alternate distribution method selected by SURS and your annuity provider.

With the election of the lump-sum benefit, you forfeit eligibility for any insurance coverage under either the State of Illinois Group Health Plan (if you have qualified service with a State agency), or the College Insurance Program (if you have qualified service with a community college).

A lump-sum benefit that is not rolled over to another qualified plan will have federal income tax withheld at the rate required by law, currently 20%.

Electing an Optional Form of Payment

To choose an optional form of payment, you must file a written election with SURS during the 180-day election period before your distribution date. You may revoke any previous election for an optional form of payment and reinstate the normal form of payment at any time during this 180-day period.

If you are married and wish to choose an optional form of payment, your spouse/civil union partner must consent to this in writing. Your spouse's/civil union partner's consent must acknowledge the effect of your election and must be witnessed by a Notary Public. Spousal consent is not required if:

- You and your spouse/civil union partner are legally separated or you have been abandoned (within the meaning of local law) and you have a court order to that effect;
- You provide satisfactory proof that the spouse's/civil union partner's consent cannot be obtained because there is no spouse/civil union partner, or because your spouse/civil union partner cannot be located, or because of some other approved circumstance.

Your spouse's/civil union partner's consent to one of the optional forms of payment described above is irrevocable.

Transferring to Another Provider

You may consolidate or transfer your account prior to electing your form of distribution. Fidelity Investments is not an insurance company and cannot pay a Lifetime Annuity; therefore, to accommodate their participants, they have partnered with an insurance company, Principal Financial.

- If you have an account with Fidelity Investments and wish to receive a monthly annuity, the account must be transferred to either Principal Financial or TIAA.
- If you have an account with TIAA, they can pay the annuity or you may also transfer your account to Principal Financial via Fidelity investments.

To transfer from one Provider to another, you must complete the appropriate Provider-to-Provider Transfer form found on pages 19-28.

Filing for Retirement

If you are electing the *normal form of distribution*, SURS would like to receive your application 90 days prior to your effective retirement date. If you are electing an *optional form of distribution*, you may not make this election before the 180-day period prior to the effective date of your annuity.

When SURS receives your application, it will be forwarded to your Provider(s).

If you have established at least one year of service credit with any of the other 12 reciprocal systems, it is necessary for you to contact the individual system(s) to request an application for their portion of the benefit. You will receive a benefit payment from each system and Provider(s).

If you are eligible for either the State of Illinois Group Insurance Plan or the College Insurance Plan, your insurance will start on your annuity begin date. You will be billed on a monthly basis for any premiums you may owe.

Employment After Retirement

If you return to work with an employer covered by SURS, there is no limitation on earnings.

If you are receiving an annuity from one of the other 12 reciprocal systems, please contact that system for their earnings limitation.

Retirement Application Instructions

PART 1 — Personal Information

Provide SURS with verification of your personal information.

Termination Date*

This is the later of (1) the last day you work, or (2) the last day you earn pay. Please contact your Personnel or Human Resource department.

Distribution or Annuity Begin Date*

You must terminate all SURS-covered employment before you can be eligible for an annuity. Your annuity payments will begin when SURS has received, processed, and sent your Provider(s) your application and employer-provided termination summary information.

**These cannot be the same date.*

Citizenship Status

This must be completed regardless of mailing address. Resident Aliens hold a permanent immigration visa (green card), or have established residency by meeting the substantial presence test. Nonresident aliens are not citizens or permanent residents of the U.S. and are subject to the general 30% withholding rates, or the lower tax treaty rates and must complete a W-8 form. You may contact the SURS office for this form or obtain it from the SURS website at www.surs.org.

If you are a resident alien, nonresident alien, or a U.S. citizen residing outside of the U.S., please consult your Provider(s) for additional tax information.

PART 2 — Retirement Systems Reciprocal Act

If you have service and earnings credit of 1 year or more in an Illinois public retirement system other than SURS, you may wish to retire under the Retirement Systems Reciprocal Act. Note that you must also file an application with that other system. Regardless of your election for either the recurring monthly annuity or lump-sum retirement benefit, the reciprocal system will consider SURS service and earnings credit in the calculation of their recurring monthly annuity.

PART 3 — Choosing your Distribution Option

Please review ALL options on page 4 under General Information.

You must provide proof of birth date for your spouse/civil union partner or primary beneficiary. If you are married, you must provide a copy of your marriage certificate. You may revoke your election at any time prior to your annuity begin date, provided SURS receives written notification. If you name someone other than your spouse/civil union partner as contingent beneficiary, or if you are married and elect the lump-sum retirement benefit, spousal consent is required. The spouse's consent must be notarized.

PART 4 — Direct Rollover of a Lump Sum Distribution

If you wish to authorize a direct rollover of your eligible distribution, please provide financial institution information, including name, address, and account number. The previously taxed portion of your distribution, if any, will not be eligible for rollover and will be sent to the address on record.
