

Instructions for Completing the TIAA Transfer Form

1. Participant Information

Complete the transfer form in its entirety. Failure to properly complete the form will delay the processing of the transfer of funds.

2. Transfers will be based on the closing market price at 4:00 p.m. Eastern Time on the day your request is received. If your request is received after 4:00 p.m., the amount will be based on the closing prices the next business day.

*NOTE:

Group Retirement Annuity (GRA) and Retirement Choice (RC) contracts - Because of the guarantees and liquidity restriction of the GRA and RC TIAA Traditional Annuity, transfers from these accounts may be made gradually over multiple years.

Active Status – If your account balance is less than \$5,000 no transfers are allowed until terminated or your balance reaches \$5,000. If your account balance is \$5,000 or greater you may receive your funds via a Transfer Payout Annuity (TPA) paid out annually over a nine-year fixed rate annuity (GRA) with 10% paid out immediately or an 84-month systematic distribution contract (RC) with no surrender charge.

Terminated Status – If your account balance is \$5,000 or less you may take a withdrawal or transfer these funds with no surrender charge. If your account balance is over \$5,000 and your request is within 120 days of termination, you may take a withdrawal or transfer these funds with a 2.5% surrender charge. If your account balance is over \$5,000 and your request is after 120 days of termination, you may take a withdrawal or transfer via a Transfer Payout Annuity (TPA) paid out annually over a five-year fixed rate annuity (GRA) or 84-month systematic distribution contract (RC) with no surrender charge.

** These funds are NOT available to participants without a current United States address of record.

3. Signature and mailing instructions:

This form will not change which Provider(s) will receive future contributions from your earnings. To change the allocation of future contributions, call Fidelity at 1-800-343-0860 or access the Fidelity website at netbenefits.com/surs.

You must sign and date the form to have your transfer instructions carried out.

Mail signed form to:

Thank you for your interest in moving funds to TIAA. We look forward to helping you meet your financial goals.

We understand this transfer is important to you, so we're here to guide you through the process and make it as easy as possible. Once we receive your completed form, we will:

- Review the information you provided for completeness.
- Contact your current financial institution and request that your assets be transferred to TIAA.
- Apply the funds based on your instructions in the form once they are received.
- Mail you a confirmation statement.

Please keep in mind that the entire process can take up to six weeks, depending on how quickly your current financial institution responds to the request. To help avoid delays, it's important that we receive all the required documents (including the latest statement for the account(s) you are moving to TIAA) and that forms are completed correctly. So if you need help, remember to call us.

If you have questions or need assistance, call us at **800-842-2252**. TIAA Consultants are available Weekdays, 8 a.m. to 10 p.m. and Saturday, 9 a.m. to 6 p.m. (ET).

MOVING FUNDS TO AN EMPLOYER-SPONSORED RETIREMENT PLAN AT TIAA

Saturday

9 a.m. – 6 p.m. (ET)

Or visit TIAA.org.

Complete and return this form to authorize movement of funds from another financial institution into your employer-sponsored plans at TIAA. If you want to roll over to an IRA, do not complete this form.

For IRA Rollovers, please use the TIAA Investment Solutions IRA Transfer or Rollover Authorization Form (F10463).

HOW TO MOVE YOUR FUNDS

OPTION 1

- **Rollover:** You may be eligible to do a rollover of retirement funds from one account to another if you have one of the following qualifying events: separation from service, disability or reaching age 59½. There are two ways to roll over your funds; you can do either a direct or indirect rollover. With a direct rollover, you may move funds directly to any eligible retirement plan that agrees to accept the rollover. Eligible plans may be tax-qualified plans under 401(a)/403(a) (including 401(k) plans), 403(b) plans, governmental 457(b) plans and IRAs. With an indirect rollover, you may receive a distribution from a tax-qualified plan, and then within 60 days of the distribution, you roll it over to another tax-qualified plan or an IRA.

OPTION 2

- **Direct Transfer:** A transfer enables you to move all or a portion of your retirement funds from one investment provider to another within your qualified retirement plan (examples of qualified plans include 401(a), 401(k) and 457(b) plans). Both investment providers must be part of the same employer's plan, and the one receiving the funds must be an approved provider in your employer-sponsored plan.
- **Contract Exchange (403(b) plans only):** If available under your current employer's plan, a contract exchange enables you to move your 403(b) retirement funds from one investment provider to another within your retirement plan. A contract exchange is permitted even if you have not had one of the following qualifying events: separation from service, disability or reach age 59½.
- **Plan-to-Plan Transfers: (403(b), 457(b) or Qualified Retirement Plan):** A plan-to-plan transfer enables you to move funds from one employer's plan to another as long as it is the same type of retirement plan. For example, if you have changed employers and would like to move your account from your former employer's 403(b) plan to your current employer's 403(b) plan, you may initiate a plan-to-plan transfer. Call your TIAA representative or our National Contact Center at 800-842-2252 to confirm the availability of this option.

GETTING STARTED

Attach a complete copy of your most recent statement for the account(s) you are transferring to TIAA.

- If your request includes securities held in brokerage accounts or mutual funds, you must liquidate them before TIAA contacts your financial institution.
- Roth 403(b)(1/7), Roth 401(k) and Public 457(b) Roth contributions can only be transferred/rolled over to another 403(b)/401(k) plan that will accept the funds or to a Roth IRA.
- If you're transferring/rolling over Roth funds, your current financial institution or investment provider must send us additional information about your Roth contributions and earnings. If we don't receive this information within five (5) business days of receiving the funds, TIAA must refund the Roth portion of your transfer back to the original financial institution or investment provider.
- If you are requesting a direct transfer or contract exchange, we must know the name of your employer and the retirement plan name before we can complete the transaction.
- Funds in 457(b) private plans can only be transferred to other 457(b) private plans that accept the transfer. Please note that the funds are going into a contract that is part of your employer's general assets and is subject to the claims of your employer's creditors. Please check with your Plan Administrator if you are unsure of the type of plans that you have.
- If you are rolling over or transferring funds from a governmental 457(b) plan to a governmental 457(b) plan at TIAA, we will need to know if you have rolled any funds into the governmental 457(b) plan at your other carrier. If you have rolled funds into the governmental 457(b) plan at your other carrier, we will need to know the originating source of the rollover money for taxation purposes. Governmental 457(b) plan money is never subject to the 10% early withdrawal penalty, even if withdrawn prior to age 59½, however rollover money from other plan types may be subject to the penalty and requires separate tracking by TIAA.
- If you are unable to provide the originating source of the rollover money, TIAA will default it to be from a plan other than a governmental 457(b) plan.

Please print using black or dark blue ink.
IMPORTANT: A full Social Security Number is required to process your request.

7. AUTHORIZATION AND ACKNOWLEDGMENT

I authorize the current financial institution or investment provider to roll over/transfer the funds from my account(s) as stated on this form for immediate deposit into my TIAA account.

If necessary for the purpose of this rollover/transfer, I also authorize the current financial institution or investment provider to liquidate any mutual fund shares, company stocks, bonds, or other financial investments held in the account(s) immediately, and transfer the proceeds in the form of a check to my funds listed on this form.

If the current financial institution or investment provider does not provide the required information about the type of contribution in my account (i.e., employer and/or employee) of your requested transfer amount and in the absence of instruction from the employer/plan sponsor, TIAA will determine the availability of this transfer amount using the most restrictive rules for this retirement plan and may reject the transfer and return it to the current financial institution. I understand this means the transfer is subject to the delayed vesting schedule (if any) of my current employer's plan and the amount available to me for a loan and in-service or hardship withdrawal will be limited by the plan's rules.

I understand that if I roll over a distribution from another plan into a TIAA Retirement Annuity, Group Retirement Annuity, Retirement Choice, Retirement Choice Plus, Supplemental Retirement Annuity or Group Supplemental Retirement Annuity contract: i) my right to receive a distribution of these funds prior to or following my termination of employment from the employer sponsoring the plan that is accepting the rollover, will depend on the terms of that plan and the TIAA account to which the funds are being rolled over; and ii) to the extent the plan accepting the rollover is subject to the Employee Retirement Income Security Act (ERISA), spousal rights will apply to the funds and I may need a signed waiver from my spouse in order to receive a subsequent distribution of these funds to the extent the distribution is permitted by the new plan and receiving contract account.

Continued on the next page

7. AUTHORIZATION AND ACKNOWLEDGMENT (CONTINUED)

Distributions from 403(b) plans before age 59½, severance from employment, death, or disability may be prohibited, limited, and/or subject to substantial tax penalties. Different restrictions may apply to other types of plans.

I understand that I am responsible for determining my eligibility to roll over or transfer within the limits set forth by tax laws, related regulations, plan regulations and plan agreements. I assume responsibility for any tax consequences or penalties that apply to the requested transactions.

I direct TIAA to treat all salary reduction monies as pretax contributions made after 12/31/88 unless the financial institution identified above provides TIAA with account balances as of 12/31/88.

For transfers involving amounts in a 403(b) plan, I direct TIAA to treat the entire balance as subject to current minimum distribution requirements unless the financial institution identified above provides TIAA with account balances as of 12/31/86.

I have read and understand the above conditions and I request that TIAA accept a rollover/transfer of funds to my TIAA account under a qualified retirement plan. **By signing below, I agree to be bound by these conditions.**

Under penalties of perjury, I certify that: (1) The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and (2) I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and (3) I am a U.S. citizen or other U.S. person; and (4) The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Note: Item 4 serves no purpose beyond required reproduction of the official Form W-9 language. Please disregard item 4.

The Internal Revenue Service does not require your consent to any provision of this document other than the certifications required to avoid backup withholding.

Please sign your full legal name with suffix, if applicable, using black or dark blue ink. Digital signatures are not accepted. ▶

8. MEDALLION SIGNATURE GUARANTEE

Many financial institutions or investment providers require a Medallion Signature Guarantee. If required by your current financial institution or investment provider, please have a member of the medallion signature guarantee program complete this section and have it medallion-stamped. A Medallion Signature Guarantee is not the same as a notarized signature. You must obtain a Medallion Signature Guarantee from a national or state bank, federal savings and loan association, savings bank or member of a national stock exchange who is a member of the medallion signature program. TIAA can provide this service.

I certify that the above-named person as described whose identity is known or proven to me, personally appeared before me.

Authorized Officer to Place Stamp Above

You may need to get your employer's authorization before you can roll over, transfer or exchange retirement funds. To determine if the employer you specified in **STEP 3** needs to complete this section, please contact your employer, your TIAA representative or our National Contact Center at **800-842-2252**.
