

Corporate Governance

These policies set standards and recommend practices that companies and boards of directors should adopt to promote accountability, independence, integrity, rigor and transparency.

Investor Stewardship Group (ISG)

On October 29th, 2017, SURS became a signatory of the Investor Stewardship Group (ISG), joining more than 60 U.S. and international investors with combined assets in excess of \$31 trillion. The ISG establishes a framework comprised of a set of stewardship principles for institutional investors and corporate governance principles for U.S. listed companies.
