I. Introduction

The State Universities Retirement System ("SURS" or the "System") is requesting a combined, fixed-price proposal for the delivery of Project Management services. Specifically, we require a project manager resource to help with the execution of a mission critical project. This includes all business requirements gathering/scoping, task delivery oversight, meeting coordination, quality testing and status reporting as required. All SURS project staff will be located at headquarters, 1901 Fox Drive in Champaign, Illinois.

All forms/required documents needed for submitting a Request for Proposal ("RFP") are available on the SURS website at www.surs.org.

A proposer’s preparation and submittal of a proposal or subsequent participation in presentations or contract negotiations creates no obligation on the System to award a contract or to pay any associated costs. All proposals and related materials will be retained by the System and will be subject to disclosure as required in accordance with the Illinois Freedom of Information Act and any other applicable laws.

II. Description of SURS

SURS is the administrator of a cost-sharing, multiple employer, public employee retirement system that provides retirement, survivor, disability and death benefits to employees of Illinois state universities, community colleges, and certain other affiliated organizations and agencies. SURS was created in 1941, by an act of the Illinois General Assembly, and is governed by the Illinois Pension Code (40 ILCS 5/15-101 et seq.). SURS provides benefit services to over 230,000 members who work for 61 employers. SURS is responsible for investing assets of more than $19 billion in a diversified portfolio of U.S. and foreign stocks, bonds, real estate and alternative investments. SURS also administers a defined contribution plan, the Self-Managed Plan, which currently has assets of approximately $2.2 billion. Northern Trust serves as SURS’ Master Trustee Custodian.

An elected and appointed, eleven-person, Board of Trustees, governs SURS. The chairperson of the Board of Trustees is, by statute, the chairperson of the Illinois Board of Higher Education. Five members of the Board are appointed by the governor of the state of Illinois. The remaining six members of the Board are elected by participating members (four individuals) and annuitants (two individuals). Our trustees serve six-year terms. SURS is funded by participant payroll deductions and annual employer contributions provided by the state of Illinois. By statute, SURS is defined as a "body politic and corporate" created by Article 15 of the Illinois Pension Code.

SURS currently employs approximately 132 staff, located in 2 offices in Champaign and Naperville, Illinois. Two SURS employees are in the Naperville office. The remaining SURS employees are situated in the Champaign office.

A copy of SURS’ most recent Comprehensive Annual Financial Report (CAFR) is available for review, or to download, at www.surs.org.
The Illinois Governmental Ethics Act, 40 ILCS 420, provides guidelines for ethical practices concerning state and local pension plans. Respondent providers should be familiar with the provisions of this Act.
The Act also encourages the Board to increase the racial, ethnic, and gender diversity of its fiduciaries, to the greatest extent feasible within the bounds of financial and fiduciary prudence. In furtherance of this Act, SURS will use its best efforts to increase the racial, ethnic, and gender diversity of its vendors, consultants and investment managers.

A section of the Illinois Procurement Code concerning prohibitions of political contributions for vendors, 30 ILCS 500/50-37, may or may not apply to SURS investment managers or other service providers. However, each investment manager or service provider should be familiar with the provisions of this section and comply with this section if the investment manager or service provider deems it appropriate.

**Background specific to this RFP:**

In June 2018, Public Act (PA) 100-0587 enacted significant pension-related changes to SURS. Specifically, SURS is mandated by PA 100-0587 to offer certain members varying buyout opportunities in lieu of their pension benefits. This necessitates a significant amount of technological and administrative change to occur prior to being able to formally present the buyout options to members.

SURS is soliciting combined, fixed-cost responses from qualified firms for a project manager resource. This project manager will have accountability for multiple workstreams related to the successful implementation of PA 100-0587, including but not limited to, Application Development, Claims Processing & documentation, Accounting and Financial Processes & documentation, Pay Benefits Processes & documentation and Member Communications. Appendix E contains a current mock-up of an expected Work Breakdown Structure (WBS) of major project related activities.

### III. SERVICES REQUIRED

- Scoping
- Coordinate stakeholder meetings & collaborative sessions
- Provide both high-level and granular reporting of all deliverables, time tables and budgets

• As of July 1, 2018, the responder has a minimum of five (5) years of experience in delivering project management services.
• As of July 1, 2018, proposed resource has been in a project management-related role a minimum of five (5) years, is current on industry best-practices and has germane experience related to this engagement.

V. Proposal Content

At a minimum, the proposal must include the following information to be considered for the engagement. For ease of review, each requirement should be addressed separately.

Cover Letter
A cover letter, which will be considered an integral part of the proposal package, in the form of a standard business letter, must be signed by an individual authorized to bind the proposer contractually. This cover letter must indicate the signer is so authorized and must indicate the signer’s title or position. An unsigned proposal will be rejected. The cover letter must also include:

a. A statement that the proposal meets all requirements of this RFP, and that the offer tendered by the proposal will remain in full force and effect until and may be accepted by SURS at any time prior to 30 days beyond the deadline for submittal.

b. A disclosure of any current business relationship or any current negotiations for prospective business with SURS, or with any member of the Board of Trustees or SURS staff, or any party currently rendering services to SURS.

c. A statement that the proposer acknowledges that all documents submitted in response to this RFP may be subject to disclosure under the Illinois Freedom of Information Act and/or the Illinois Open Meetings Act.

Statement of Minimum Qualifications
Proposers must complete and return the Minimum Qualifications Certification in the form contained in Appendix A.

Reference Checks
Reference checks will be conducted for each finalist.

Questionnaire
The questionnaire contained in Appendix B to this RFP must be completed and returned as part of the proposal.

Fee Proposal
Proposers must submit a combined, fixed-cost proposal in the format prescribed in Appendix C. Any deviation from the prescribed format which in the opinion of SURS is material may result in the rejection of the proposal. The proposed fee shall include all costs and expenses for providing the services as described in this RFP, and any agreed-upon additional services. Once finalists are selected, fees may be subject to a “best and final” offer process to be determined at the discretion of the System.

The fee proposal must expressly state that the proposed fees are guaranteed for the term of any resulting contract.
Contract
This Request for Proposal is neither a contract nor meant to serve as a contract. It is anticipated that one or more of the proposals submitted in response to this Request for Proposal may be selected as the basis for negotiation of a contract with the proposer. Such a contract is presently contemplated to contain, at a minimum, the terms of the proposal submitted, as finally negotiated and approved by the System. SURS reserves the right to negotiate additions, deletions, or modifications to the terms of proposals submitted. However, the terms contained in Appendix D, Addendum to Contract, must be agreed to and accepted by the candidate or organization selected to perform the work contemplated by this RFP.

Project Schedule
The submission must include a preliminary project schedule based on the number of calendar days required to perform the work following the award of the design-build contract.

VI. Submission of Proposals

All proposals must be received no later than the deadline stated in the Anticipated Timeline and Contact Information section. Submissions must be made via email to the identified contact person by the stated deadline. Only email submissions will be accepted.

The proposals become the property of SURS upon submission. All costs for developing proposals and attending presentations and/or interviews are entirely the responsibility of the proposer and shall not be chargeable to SURS.

Only one proposal from an individual, firm, partnership, corporation, or combination thereof, will be considered for this assignment.

VII. Evaluation Process

Pre-Evaluation Review
All proposals will be reviewed to determine if they contain all the required submittals specified in this RFP. Those not submitting all required information in the prescribed format will be rejected.

Proposal Evaluation
All proposals received by the SURS representative on or before the deadline listed above will be reviewed to determine whether they meet the minimum requirements of this RFP.

All proposals received by deadline and pass the pre-evaluation review will undergo an evaluation process conducted by SURS staff. They will be reviewed to determine whether they meet the requirements of this RFP. SURS will consider the following factors in the evaluation process, ranked in no specific order, and will render a decision based on the perceived best fit and best value for the engagement. Fees will be one of the determining factors in this decision but will not be the primary determinative. Proposals will be evaluated based on criteria including:

• Understanding of the services requested
• Timeline for recommended solution to be implemented
• Proposed methodology and work plan to be used in the process
• Proposed deliverables
• Relevant knowledge, experience and qualification of firm and team members including established record of success in similar work
• Commitment to diversity
• Willingness to negotiate contract terms
• Independence
• Cost
• Warranty of services
• References

Proposals that contain false or misleading statements or that provide references which do not support an attribute or condition claimed by the proposer will be rejected. Issuance of the Request for Proposal creates no obligation to award a contract or to pay any costs incurred in the preparation of a proposal. Nothing in this RFP or any resulting contract shall preclude SURS from procuring services similar to those described herein from other sources.

During the evaluation process, proposers may be requested to provide additional information and/or clarify contents of their proposal. Other than information requested by SURS, no proposer will be allowed to alter the proposal or add new information after the filing date.

Once finalists are selected, fees may be subject to a "best and final" offer process to be determined at the discretion of the System.

The Quiet Period for this RFP began on the date the RFP was issued: **September 11th, 2018**.

1. The quiet period shall commence upon Committee action (or Board action if the selection is not initiated through a Committee) to authorize a search for a service provider and end once a selection has been made by the Board and accepted by the service provider;

2. Initiation, continuation and conclusion of the quiet period shall be publicly communicated via the SURS website (www.SURS.org) to prevent inadvertent violations;

3. All Board members, and SURS staff not directly involved in the search process, shall refrain from communicating with potential service providers regarding any product or service related to the search offered by the provider throughout the quiet period and shall refrain from accepting meals, travel, hotel, or other value from the providers;

5. All authority related to the search process shall be exercised solely by the relevant Committee or Board as a whole, and not by individual Board Members;

6. All information related to the search process shall be communicated by SURS staff to the relevant Committee or Board as a whole, and not to individual Board Members;

7. The quiet period does not prevent Board approved due diligence, client conference attendance, or communications with an existing service provider that happens to be a provider in the ordinary course of services provided by such service provider; however, discussions related to the pending selection shall be avoided during those activities;

8. The provisions of this policy will apply to potential service providers throughout the quiet period and shall be communicated to providers in conjunction with any competitive proposal process; and
